If the weather is nice, we can serve your breakfast in the garden. Just inform us here. **But please note: –FIRST COME – FIRST SERVE** (and if it is rainy or cold, we serve your breakfast in the apartment)

- apartment
- pergola
- pavilion
- picnic blanket and basket

We are preparing the breakfast fresh and with a lot of love. Many of our products are homemade. We do not use preservatives and artificial flavors and put a lot of emphasis on whole-wheat products. We also pay attention to regional and sustained purchasing and to the seasonal variety of fruits and vegetables. Sustainability and pure taste are important for us. **Please inform us about your allergies and intolerance! We will consider it!**

Please understand if we shift your order a little bit, when there are too many orders for the same time.
